

State of Open: The UK in 2024 Survey

Welcome to OpenUK's fourth annual State of Open Survey, collecting data on Open Source Software in the UK. This survey will feed into our "State of Open: The UK in 2024" Report which will be shared under a creative commons licence and which was launched in an event at the Great Hall, KCL in London on 3 July. Survey opens at **6 pm BST on 16 May** and closes **midnight BST 8th September**.

Everyone **based in the UK** is welcome to complete it whoever and wherever their employer is based or if they don't have an employer.

We appreciate you taking the time to complete this survey (should be about 15 minutes) and are keen to have respondents from a wide range of sectors.

Please do pass the survey on to others who might be willing to complete it. Thanks for your support with this.

Any problems or feedback on the survey, please contact us on admin@openuk.uk

Your responses are anonymous and all data will be subject to OpenUK's Privacy Policy:
